REPORT ON THE ONLINE QUIZ

An Online Quiz was conducted on the topic “Office Automation Tools” using Quizizz app for the students of I B.Com(C.A.) to enhance their skill in Office Automation Tools. A total of 17 students had participated in the quiz enthusiastically.

Quizizz can be used to find and create free gamified quizzes and interactive lessons to engage any learner. Quizizz allows to conduct student-paced formative assessments in a fun and engaging way for students of all ages. The salient features include:

1. **Student-paced:** Questions appear on each student's screen, so they can answer questions at their own pace, and review their answers at the end.
2. **BYOD:** Can be played by students using any kind of device with a browser, including PCs, laptops, tablets, and smartphone.
3. **Thousands of public quizzes:** Amazing teachers around the world create thousands of great questions on Quizizz every day! This community effort generates great content that everyone can use.
4. **Quiz Editor:** The Quizizz editor is the most awesome quiz editor in the world! Well... we think so at least... do let us know if you don't agree :)
We take the hassle out of creating quizzes by allowing you to pluck questions from any quiz, easily add images from the internet, auto-save your progress and tons of other features. Learn more.
5. **Reports:** Our reports give you detailed class-level and student-level insights for every quiz you conduct. You can also download the reports as an Excel spreadsheet. Learn more.
6. **Quiz Customization:** Teachers have multiple options to customize their quiz session to toggle the level of competition, speed, and other factors.

Reports generated by Quizizz will help the teacher to get real-time data and understand the strengths and weaknesses of the students of the class. The teacher can also use this data to plan out lessons based on the performance of students.

Conducting quizzes in this manner helped to motivate the students to complete assigned readings, increase participation in class discussion, and improve performance on exams for material covered both on the quizzes and in class.

The winners of the Quiz are
