A Report on One Day Workshop On “Instrumentation Analysis”

09.06.2022

The Department of Chemistry organised One Day Workshop on “Instrumentation Analysis” on 09.06.2022. P.Satya Suryanarayana Rao, Lecturer in Chemistry, PR Govt. College, Kakinada acted as a resource person and enlightened the students with the knowledge of various Instrumentational Techniques like Potentiometry and Calorimetry.

He delivered the valuable information on how to measure the voltage difference between an indicator electrode and a reference electrode to determine ion concentrations in the solution . In making the students get activated and make efficient in learning an interactive session was conducted to the students. The students also actively participated and raised their doubts. Around 80 students participated in the workshop. All the staff members joined their hands together for the successful completion of the workshop. V.Mallikarjuna Sarma, Head , Department of Chemistry proposed vote of thanks and expressed his gratitude to all the teaching and non teaching staff for their cooperation in organising the workshop and making it grand success.

One Day Workshop on Instrumentation Methods by the Resource Person R.Satya Surya Narayanarao on 09.06.2022
