INTERNATIONAL OZONE DAY CELEBRATIONS

2022-23

DEPARTMENT OF CHEMISTRY

INVITATION

స్త్రి విద్యా ప్రవర్తన

Department of Chemistry and Eco-club of A. S. D. Govt. Degree College for Women (A) are pleased to conduct an Invited Talk on “*Importance of Ozone layer and its Protection for Sustainable Environment*”

in view of

UN International Day for the Preservation of the Ozone layer

Speaker: Dr. T. Vijay, Scientist

National Institute of Hydrology, Kakinada

Dt. 16-09-22 at 11.00AM

Venue: Seminar Hall, First Floor, Admin Block

All the faculty are requested to attend and encourage the students to participate in the event to be conducted in the Seminar Hall at 11.00 AM.

Kakinada

To
Principal
ASD Govt. Degree College for Women
Kakinada.

Respected Madam,

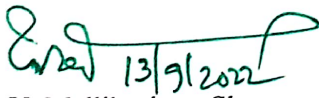

Sub: Request to grant permission for organizing an Invited talk on the occasion of UN International Day for the Preservation of the Ozone layer on 16 September, 2022

With due regards, this is to bring for your kind perusal and consideration that the department of Chemistry in association with Eco-club is planning to conduct a guest lecture on *'Importance of Ozone layer and its Protection for the Sustainable Environment'* on the occasion of UN International Day for the Preservation of the Ozone layer. Dr. T. Vijay from National Institute of Hydrology, Kakinada will be the chief guest of the event.

In this connection, I request you to kindly grant the permission to organize the event on Dt.16.09.2022 at 11.00 AM.

Thanking you for your Consideration,

Yours Sincerely

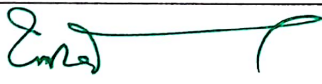

V. Mallikarjuna Sharma

Lecturer in Charge

A.S.D.GOV.T.DEGREE COLLEGE (W)
Jagannaickpur, Kakinada

ACTIVITY REGISTER 2022-23

Date	16-09-2022
Conducted through (DRC/JKC/ELF/NCC/NSS/ Departments etc.,	Department of Chemistry
Nature of Activity (Seminar/Workshop/Extn. Lecture etc.,)	International Ozone Day
Title of the Activity	Seminar on International Ozone Day " Importance of Ozone layer and its Protection for sustainable Environment
Name of the Department/Committee	Department of Chemistry / I,II,B.Sc. Students
Detials of Resource Persons(Name, Designation etc.,)	Dr.T.Vijay, Scientist, NIH, Kakinada
No.of Students Participated	70
*Brief Report on the activity	Brief report of the activity has to be attached
Name of the Lecturers who planned & conducted the activity	Dr.K.Jhansi Lakshmi, Lecturer in Chemistry
Signature of the department in charge/convener of the Comiittee	
Signature of the Principal	
Remarks	-----

(* Brief Report of the activity has to be submitted along with evidences(Correspondence, Photographs, Paper clippings, and Student Feedback etc). A separate record has to be prepared for each Academic year. The College Activity Register shall be with the Principal. All activities have to be recorded and the serial no of the activity has to be mentioned on the report of the activity

A BRIEF REPORT ON THE SEMINAR ORGANIZED ON OZONE DAY

DATED 16-09-2022

Department of Chemistry organized a seminar on the occasion of International ozone day on 16-09-2022 to create awareness in students on preservation of ozone layer

An eminent scientist Dr.T.Vijay, National Institute of Hydrology, Kakinada invited as resource person

Sir explained the importance of Ozone layer, where it present in the atmosphere, how it protects human beings from various diseases in a detailed manner. He discussed on the Montreal Protocol, a global agreement to protect the stratospheric ozone layer by phasing out the production and consumption of ozone depleting substances.

He also discussed on several ozone depleting substances like Chlorofluorocarbons, Halons, hydro chlorofluorocarbons, methyl chloroform etc. and also discussed on the measures to be taken to protect ozone layer.

Finally concluded with the role of every individual in protection and preservation of ozone layer

V. Mallikharjuna Sarma HOD of chemistry also explained the various chemical reactions that are taking place in stratospheric layer. How ozone layer is depleted with ozone depleting substances and also explained the importance of ozone layer for protection of human beings from various diseases

Students are also actively participated in the seminar they also expressed their views about protection of ozone layer and explained how it is depleted with chemical equations
