MOLE DAY CELEBRATIONS

2023-24

Report on National Mole Day Celebrations

Introduction :

National Mole Day, observed annually on October 23rd, commemorates Avogadro's Number (6.02×10^{23}) – a fundamental unit in chemistry. A.S.D Government Degree College for Women in Kakinada enthusiastically embraces Mole Day celebrations at Batchu Ramam Municipal Corporation Girls High School, Church Square, Kakinada, thanks to the unwavering support of Dr.K.Anitha, Head, Department of Chemistry. This report outlines the college's vibrant participation in Mole Day, led by Chemistry Department.

mole day observed on 28th October.

Importance of Mole Day :

Beyond being a tribute to Avogadro's Number, Mole Day serves as a fantastic opportunity to nurture a genuine interest in chemistry. It encourages engaging and educational activities related to moles, fostering a deeper understanding of the subject.

History of National Mole Day :

Originating from an article in the Science Teacher in the early 1980's, National Mole Day was established by Maurice Oehler, a high school chemistry teacher, in 1991. Celebrated globally, the day sparks interest in chemistry through enjoyable and educational activities, with schools around the world actively participating.

Activities Conducted :

Informative Sessions

The day kicks off with educational sessions, shedding light on the significance of Mole Day and Avogadro's Number. These sessions aim to educate and ignite curiosity about this fundamental concept in chemistry.

Mole Day Quiz

An entertaining quiz tests students knowledge of moles, Avogadro's Number, and related concepts. The quiz is designed to be both educational and enjoyable, encouraging active participation.

Prize Distribution

To celebrate academic excellence, prizes are awarded to the top three students excelling in the Mole Day Quiz. This recognition motivates students and fosters a healthy competitive spirit.

Conclusion:

The National Mole Day celebrations at Batchu Ramam Municipal Corporation Girls High School, Church Square, Kakinada exemplifies the institution commitment to making science education engaging and enjoyable. Through informative sessions, quizzes and prize distributions, the Chemistry Department of A.S.D Government Degree College for Women, continues to inspire the school students to explore the wonders of chemistry. Mole Day not only honours Avogadro's Number but also catalyzes sparking a lifelong interest in the fascinating world of chemistry among students.
