RESEARCH METHODOLOGY

CERTIFICATE COURSE-2022-23

(Brief Report)

Department of Telugu introduced Research Methodology as a certificate course from 2021 onwards for Special Telugu students. This course duration is 45 days. This course is started to create interest in research field. After completion of this course, students can write research articles and prepare dissertations themselves. In this connection 2022-23 academic year also is continuing the same course. This year 20 students enrolled.

Objective of the course:

1. Students who complete this course will be able to understand and comprehend the basics in research methodology and applying them in research/ project work.
2. This course will help them to select an appropriate research design.
3. With the help of this course, students will be able to take up and implement a research project/ study.
4. The course will also enable them to collect the data, edit it properly and analyse it accordingly. Thus, it will facilitate students' prosperity in higher education.
5. The Students will develop skills in qualitative and quantitative data analysis and presentation.
6. Students will be able to demonstrate the ability to choose methods appropriate to research objectives.

Method of implementation:

Department of Telugu Lecturers Dr.D.Krishna Gayatri, K.Madhavi and Dr.K.Syamala Devi teach this subject. *Telugu lo Parisodhana Paddhati* written by Dr.Jayashankar is the reference book for this course. After completion of this course exam will be conducted on this course for 50 marks. Successful students get certificates. In 3rd year- 6th semester, students have to go for long term internship. After internship programme students will be able to prepare project work report independently.

After learning this course Students can improve their learning skills, thinking power and problem analysing and solving skills.

Outcome of the Course:

Students who complete this course will be able to understand and comprehend the basics in research methodology and applying them in research/ project work. This course will help them to select an appropriate research design.
