DEPARTMENT OF ENGLISH
BRIDGE COURSE

For all UG B.A., B.Com., B.Sc Honours 1st Year

Academic Year - 2025-2026

Bridge Courses

A Bridge Course in English for newly admitted students is conducted every year before the commencement of the first semester classes by the Department of English. The main objective of the course is to bridge the gap between subjects studied at Higher Secondary level and subjects they would be studying in Graduation. The syllabus for the course is framed in such a way that they get basic knowledge on the subjects that they would be learning through graduation. This two-week student enhancement and development programme is devised for overall grooming and enhancement of the students' fraternity with a special punctuation for students from rural and semirural community.

Objectives

- To bridge the gap between school and collegiate education to meet the students communicative requirements
- To prepare the students for a classroom atmosphere in which English is the medium of instruction.
- To help the students acquire the basic LSRW skills.

Methodology

A Curriculum is framed separately in each of the subjects, for Bridge Course in English. During the first week after the commencement of the classes, the bridge course curriculum is delivered to the students in various disciplines. A post bridge course test is conducted after the completion of bridge course syllabus to assess the ability of student's suggestions is given to students for improvisation.

Syllabus for Bridge Course

- Basic English Grammar
- Word building and their usage
- Comprehension
- How to use the dictionary?
- How to read the news paper?

Outcome

After the completion of the Bridge Course in English, there was a significant progress in the Listening, Speaking, Reading and Writing skills of the students. Students who had tremendous stage fear were able to overcome it and speak fluently in English. They could easily take part in Group Discussions and exhibit their views in English. Students who had Telugu as the medium of instruction at the school level gained confidence to speak and write in English.

1. The structure of Bridge Course worksheet in restructured form is as follows

- ❖ Title of the unit,
- ❖ Learning Outcome- Exactly what the student is going to learn.
- ❖ Learning Activities / Learning Experience
- ❖ The Solved Activities
- ❖ Some Examples for Practice, Few questions / activities / exercises to be given to see that students understand the concept or not.
- ❖ For a better and stronger understanding of the concept Complementary and parallel activities

2. This course will be very important for the students to understand exactly what they have learned in the previous academic year, to test it and for the students to understand the curriculum for the next class.
