క్షణికావేశం - శాశ్వత విషాదం

వేగం... వేగం... వేగమే లోకం!
 స్పీడులో మతిమరచి, బీరేకుపై మమకారం!
 ఇటుపై అటుపై చూసే తీరిక లేదు, గమ్యం గురించే ఆలోచన, భయం లేదు!
 పచ్చని రోడ్లు, పరుగెత్తే వాహనాలు, కొన్ని క్షణాల్లోనే మారెను దృశ్యాలు!
 ఒక కేక, ఒక ఆర్తనాదం, ఒక శూన్యం అంతే... ముగిసెను జీవితం, మిగిలెను విలపం!
 తల్లి కన్నీళ్లు, తండ్రి గుండెకోత, పిల్లల భవిష్యత్తుకు పడిన చీకటి తెర!
 క్షణికావేశం మిగిల్చిన శాశ్వత గాయం

The Great Grammar Court

One fine morning, all the English grammar rules gathered in the Grand Grammar Court. Judge Dictionary sat proudly with a giant book in front of him.

The first to complain was **Mr. Comma**.

"Your Honour," he sighed, "people keep forgetting me. Without me, sentences become dangerous! Just look at this: *Let's eat, Grandma!* and *Let's eat Grandma!* One comma can save a grandmother! The courtroom burst into laughter.

Next came **Miss Apostrophe**, wiping away tears.

"Everyone keeps using me in the wrong places," she cried. "I belong in *It's raining* and *Ravi's book*, not in *Apple's for sale!*"

Mr. Plural nodded sadly. "Yes! Apples don't need apostrophes just because there are many of them! Then **Sir Verb** marched in angrily.

"I am exhausted! Every day someone writes, *She go to school*. I keep shouting, 'No! It's *She goes school!*' But nobody listens."

Just then, **Captain Tense** entered, looking very confused.

"I have a serious problem," he said. "Students mix me up all the time. One moment they write, *Yesterday I go to the market*, and the next they say, *Tomorrow I went home*. Even I don't know what day it is anymore!"

Everyone laughed again.

Finally, **Professor Punctuation** stood up and announced, "Grammar is not here to trouble you. We simply help your ideas make sense. Without us, even the smartest sentence can become the funniest mistake."

Judge Dictionary smiled and gave his final verdict.

"Grammar rules are not enemies; they are your best friends. Learn them, respect them, and your English will always make sense."

From that day onward, students remembered one important lesson:

Good grammar doesn't stop you from making jokes—it helps everyone understand them!

"AI Agents: Beyond Chatbots – The Future of Intelligent Computing"

Artificial Intelligence is evolving rapidly, and AI agents represent the next major step beyond traditional chatbots. Unlike chatbots that mainly respond to user queries, AI agents can understand goals, make decisions, plan tasks, learn from interactions, and execute complex workflows with minimal human intervention. From automating research and coding to managing schedules and assisting in healthcare, finance, and education, AI agents are transforming the way people interact with technology. Their ability to combine reasoning, memory, and the use of external tools makes them more capable and adaptable than ever before.

For students and educators, AI agents open exciting opportunities to enhance learning, research, and innovation. They can serve as intelligent study companions, virtual teaching assistants, research collaborators, and productivity tools that simplify everyday academic tasks. As these systems continue to advance, understanding how to work alongside AI agents will become an essential skill for future professionals. By embracing this technology responsibly and ethically, educational institutions can prepare students to lead in an increasingly AI-driven world, where human creativity and intelligent automation work hand in hand.

Grammar Giggles

My commas dance, my verbs all sing,
My tenses twist in everything.
The nouns march proudly in a line,
While adjectives say, "You're looking fine!"
The pronouns play a game of hide,
Prepositions take a joyful ride.
Conjunctions build a friendly bridge,
And articles sit on every ridge.
Question marks keep asking "Why?"
Exclamation points jump to the sky!
Full stops rest when work is through,
Colons whisper, "Here's something new."
Though grammar makes my head spin round,
With rules and exceptions all around,
A little practice every day,
Keeps mistakes far, far away.
So laugh with grammar, don't despair,
Every sentence needs your care.
Master the rules with cheerful weather—
English shines when they work together!
