CORNER

07-08-2023

The Swadeshi Movement which was launched on 7th August, 1905 had encouraged indigenous industries and in particular handloom weavers. In 2015, the Government of India decided to designate the 7th August every year, as the **National Handloom Day**. The first National Handloom Day was inaugurated on 7 August 2015 by PM Modi in Chennai.

The handloom sector is a symbol of our country's rich and varied cultural heritage, and is an important source of livelihood in rural and semi-rural parts of our country. It is also a sector that directly addresses women's empowerment with over 70% of all weavers and allied workers being female. Rooted in nature, it has eco-friendly production processes with minimal requirement of capital and power, and provides flexibility to innovate to meet changes in fashion trends and fast-changing customer preferences.

On 7th August 2023 All the staff & students celebrated the **National Handloom Day** through wearing handloom sarees & dresses with due respect to the weavers and conducted a rally to support all of them.

ALL THE STAFF ACTIVELY PARTICIPATED IN THE RALLEY IN SUPPORTING OF WEAVERS

The Department of **Home Science** Observed the "NATIONAL HANDLOOM DAY" On **7th August 2023** All the staff & students celebrated the **National Handloom day** through wearing handloom sarees & dresses with due respect to the weavers and conducted a rally to support all of them. The Department of **Home Science** Conduct Various Activities like Rally, Random Diabetic Screening & Blood Sugar Testing Camp, Essay Writing, Elocution and Poster presentation by Students on the occasion of **NATIONAL HANDLOOM DAY**.

Department of Home Science with the help of Lions Club is going to organise Diabetic Screening & Blood Sugar testing camp at 2.30 on 07-08-2023.

Diabetic Screening & Blood Sugar testing camp at 2.30 on 07-08-2023.

<p>About the College: Annayaram Satyavathi Devi Government Degree College for Women (Autonomous), Kakinada, E. G. District was started in 1962 with the motto: 'Sthree Vidya Pravaradhatam' means 'Women Education Shall Prosper'. The idea came up with the inspiring words by Mahatma Gandhi, "If you educate a man, you educate an individual, but if you educate a Woman, you educate an entire family". This is the only Government Degree College for Women in the entire coastal belt of Andhra Pradesh, with a Student Managed Hostel within the campus and 4 Social Welfare Hostels within a vicinity of 2 kilometres from the College. The College is mainly equipped with Smart Campus services like Virtual Classrooms, Digital Classrooms and LMS. At present, the college has a student enrolment of above 1100. The college offers UG programmes:</p> <p>B.A Honours (Economics) B.A Honours (Political Science) B.Com Honours (General) B.Com Honours (Computer Applications) B.Com Honours (Digital Marketing) B.Sc. Honours (Home Science) B.Sc. Honours (Chemistry)</p>	<p>B.Sc. Honours (Zoology) B.Sc. Honours (Botany) B.Sc. Honours (Physics) B.Sc. Honours (Computer Sciences) B.Sc. Honours (Mathematics) and PG programmes: M.A. (Telugu) & M.Com. The College uses every opportunity with great care in strengthening the students to excel in their academics and get decent jobs.</p> <p>About Department of Botany & Horticulture: The Department of Botany is as old as the establishment of the Institution itself. In short it is a 61 year old department, established in 1962. The Department started Horticulture group in the year 2020. At present the Department is offering B.Sc Honours Botany and Horticulture as Minor subject. The Department is having two well equipped Laboratories, Dr. Janaki Ammal Botanical Garden consisting of different plant species and rare Medicinal Plants and Horticulture garden with Vegetable crops, Fruit crops and Flowering plants. The Department offers certificate courses in Organic Farming, and the students are maintaining NADEP compost pit in the</p>	<p>campus. The Faculty & students of the Department conduct Medicinal Plant Drive every year to bring awareness about the medicinal importance of plants among the people residing in the local surroundings of the college. The Department conducts Field trips regularly. The students of our Department started Blossoms Nursery and selling saplings which are propagated by them.</p> <p>About the Workshop Modern Techniques in Herbarium Methodology The term "Herbarium" is derived from the Latin words "Herba" (plant) and "rium" (repository) or "Collection." As a result, a herbarium is a collection of preserved plant specimens used for scientific study, research, and education. Typically, the specimens are dried, pressed, and mounted on archival paper before being stored in specialized cabinets or drawers. The specimens are meticulously labelled with information about their origin, habitat, and any other pertinent information that may be useful for scientific research. The Workshop provides Hands on experience in the preparation of Herbarium.</p>
