Budget Sanctioned Rs.195600/-Utilized Rs.186930/-

23. Governance and Leadership

- ❖ Institutional Development Plan (Copy enclosed)

❖ Institutional distinctiveness in specified area

The institution is known for its commitment to academic excellence and fostering a conducive learning environment. The curriculum is carefully designed to meet industry requirements and empower students with relevant knowledge and skills. The college also encourages research and innovation among its faculty and students, promoting a culture of intellectual curiosity and critical thinking. The college provides a safe and inclusive environment where young women can pursue their education and develop their potential to the fullest. The holistic education offered in the institution instills confidence, leadership skills, and a sense of empowerment in its students, preparing them to face the future challenges effectively. Highly qualified and experienced faculty are not only experts in their respective fields but also mentors who provide guidance and support to students. The college encourages faculty members to engage in research activities, attend conferences, and publish their work, thereby fostering a culture of continuous learning and intellectual growth. The college also offers career guidance, counseling services, and placement assistance, ensuring that students are well-prepared for their professional journey.
