# Vanam-Manam

The Government of **Andhra Pradesh** has decided to launch the **Vanam Manam** programme on **29 July** in hope of improving the **Green cover** in the state at least by **50 percent**. At present, the green cover in the state is at **26 percent** and the idea is to improve that by **2029**. The idea is to make the programme a success with the active participation of the people, rather than just another government programme. Public is the stakeholder and saplings must be planted in every open space inside a house and outside, the industries and organisations must saturate the open space on their premises before going to take up planting saplings in other areas.

The planted saplings will be **Geo-Tagged** by the AP Government so that they can be monitored on a regular basis. The photographs of the saplings are to be uploaded on to the state website for better monitoring. Earlier, the government had geo-tagged saplings in Visakhapatnam after Hudhud. It is now mandatory for each government office to have at least 100 plants.

## **The objectives of the programme are**

- To achieve tree cover over 50 per cent of the total geographical area of the state by bringing an additional 40 lakhs hectares of land under tree cover by 2029.
- Each and every citizen of Andhra Pradesh across the social, economic, demographic, gender, and political spectrum ought to become partners in this programme that would benefit not only the state but also the nation and the entire world through eco-regeneration.
- Apart from its impact on environment and climate change, the programme is an effort to strengthen the bond between the nature and people.

## **Implementation Guidelines:**

- The Hon'ble Minister in-charge of the district along with other Hon'ble Ministers, and peoples representatives will launch the programme in the district on the same day with the participation of all citizens of the area.
- Similar launch will be done in every Constituency, Mandal, Village, ULB, and every institution in the state - both public and private – every school, college, university, Industry religious institutions, etc., on the same day.
- Plantation in vacant Government lands, Degraded Forest lands, Endowment lands, Schools, Colleges and Universities, Residential Schools and Hostels, Lands surrounding Industries and SEZs, Vacant Railway lands, Endowments lands, Housing colonies, Homesteads, Roads, Canals, Bunds, Canals, Bunds of Farm lands.
- Each and every citizen of Andhra Pradesh across the social, economic, demographic, geographic, gender, and political spectrum ought to become partners in this programme that would benefit not only the state but also the nation and the entire world through eco-regeneration.
- To create awareness amongst school and college students and to secure their proactive participation, essay writing, painting, quiz, and elocution competitions shall be

organised. In addition, Green Run, Cycle Rallies and Eco Walks on different days shall be organised.

- The Headmasters of Schools, Principals of Colleges and Vice-chancellors of Universities, Persons in charge of the Residential Schools and Hostels shall ensure cent per cent participation of teachers/faculty and students in promotion of awareness regarding the Mission/Programme and its impact on environment/climate change and ensure proactive participation in plantation and protection of the planted saplings.
- Every plant must have a 'guardian' who shall take responsibility for protection, watering, application of manure, and proper nourishment to the plant. The tree guardian could be an individual or a group of individuals and may be responsible for one or more plants. In institutions, the head of the institution shall assign responsibility for the maintenance of plants to the Staff/ students of the institution.
- Active participation of people's representatives, government officials, academicians, NGOs, School Children, College students, members of DWCRA Groups, SHGs and VSSs, Media representatives, proactive involvement of industries and Corporate enterprises, Paper Mills, CJI, FICCI, temples, churches, mosques and other faith based institutions, etc. shall be secured.
- Plantation in vacant Government lands, Degraded Forest lands, Endowment lands, Schools, Colleges and Universities, Residential Schools and Hostels, Lands surrounding Industries and SEZs, Vacant Railway lands, Endowments lands, Housing colonies, Homesteads, Roads, Canals, Bunds, Canals, Bunds of Farm lands.
