Morning Assembly by Students

Our college conducts a morning assembly daily at 9:30 AM, serving as a cornerstone best practice that sets the tone for the day. Students and staff gather near the dais in the open ground, assembly will be conducted by students with support of their pears. This best practice not only enhances their communication skills but also empowers them to articulate their thoughts in public. The morning assembly significantly contributes to shaping and moulding our students into future responsible citizens. Additionally, the assembly encourages teamwork, punctuality, and instills a sense of pride in the institution.
