

NCC and NSS Extension Activities

Awareness Campaigns and Community Engagement Programs Through NSS and NCC:

NCC & NSS units conduct impactful awareness campaigns and community activities. These include blood grouping, blood donation, ocean clean-up, plastic eradication and plantation drives, fostering social responsibility among students. World Environment Day, AIDS Day, Constitution Day, Women's Day etc., are organized in **adopted areas of Golilapeta and Muthanagar**.

Impact: These initiatives not only benefit the community but also equip students with essential life skills, driving them to contribute meaningfully for societal progress. These efforts have been recognized by local government bodies, underscoring the transformative power of integrating community service with education.

Madam,

Sub: Services of Students -ASD Government Degree College for women (A) -
Kakinada – Appreciation Regarding

Happy to acknowledge the service rendered by students of ASD Government Degree College for women (A) Kakinada by adopting our area as part of Community Service Project.

The commitment of NSS voluntaries in the area is invaluable.

Looking forward to do more such activities of this kind in the near future.

Thanking you,

Yours sincerely
