### FIELD TRIP

2023-2024

#### **Industrial & Environmental Tour – Rampachodavaram and Maredumilli (2nd December 2023)**

The Department of Commerce organized another Industrial and Environmental Tour on 2nd December 2023 to Rampachodavaram and Maredumilli. Sixty-one students, along with six staff members, participated in the tour, which was aimed at providing students with insights into the functioning of industries and the importance of environmental conservation. Faculty members, including Smt. R. R. D. Sirisha and others, guided the students throughout the tour, making it an informative and practical experience. The tour highlighted the need for sustainable practices in industrial settings, encouraging students to think critically about environmental issues. **Participants: 61**
