## **College Profile**

A.S.D. Government Degree College for Women, situated at Jagannaickpur, Kakinada, East Godavari District of Andhra Pradesh was established in 1962 through the relentless efforts of a "Women's Education Society of Kakinada" with the noble objective of imparting higher education to women when there was no separate degree college for women in the entire district. After managed by Annavaram Devasthanam for five years, the college was taken over by the Government of Andhra Pradesh on 1st August, 1968. The college was recognized by UGC, under 2(f) and 12B in 1972. Having served as a composite college till 1996, the college became a full fledged Degree College in 1997. ### Vice Principal's Message

Dr.M. Suvarchala M.Sc., M. Ed. Editor-in-Chief

The essence of knowledge lies in the spirit of creative thinking, expression, and experimentation. In this context, the college magazine has played a vital role as a platform for the students and teachers to think, reflect, create and innovate in a multitude of languages and literary genres. It is a significant milestone in their creative journeys and inspires them to aspire higher. In today's world where we are constantly surrounded by events of social unrest and multiple forms of oppression, it is of the utmost importance that students explore issues that extend beyond their curriculum and classroom. It is a holistic art generated by introspection and retrospection, by self-questioning and a desire to seek answers, by imagination and a deeper understanding of realities. I congratulate the entire team of the magazine and appreciate their dedication. I sincerely wish that this magazine continues to inspire the students in the years ahead.

With best regards
Vice Principal

My Dad

The season I love most is Spring, For the joy that it does bring; My heart begins to sing, And I feel like a king!

Spring is the queen of seasons, I can cite so many reasons: It's the peak of nature's beauty, Dazzling the world, its duty!

Spring gets the bees humming, It makes the gardens charming, When new plants begin to grow, New leaves spring up and show.
