- To adopt the model question paper for semester end examinations containing:
 - a. Section- A consisting of 8 Short answer questions out of which the student should answer any five, each question carrying 4 marks.
 - b. Section- B consisting of 5 Essay questions with internal choice, one question from each unit carrying 8 marks.
- To follow the same question paper pattern for 2021-2022 admitted batch with each essay question carrying 10 marks and short answer question carrying 5 marks.
- The composition of the question paper is as per the blueprint given.
- 8. Assessment pattern for the CIA for multi-disciplinary courses (MDC), Skill Enhancement Courses (SEC), practical work and Semester end practical examination.

For 2023-24 admitted batch, 10 marks to be allotted for continuous internal assessment and the semester end theory examination to be conducted for 40 marks for multi-disciplinary courses (MDC) and Skill Enhancement Courses (SEC). Principles of Chemical Sciences adopted as multidisciplinary course.

· For continuous internal assessment, five assignments should be submitted by the

5. Additional inputs to various courses placed at the end of syllabus.

Sem-II Differential Equations: Method IV & V in integrating factors

Sem-II Solid Geometry: Limiting points Reciprocal Cone

Sem-III Abstract Algebra: Ideal of a Ring Principal Ideal Ring

Sem-IV Real Analysis: Mecleurins expansions of sinx, cosx

- EVALUATION: Evaluation for each course will be done as follows: It is resolved to set no minimum pass for Internal Assessment in Choice based Credit System (CBCS).
- a) Each theory subject is evaluated for 100 Marks out of which 60 Marks through semester end examination and internal assessment would be for 40 Marks for 2022-23 and 2023-24 admitted batches. The minimum pass mark for external examinations is 21 marks (35%), but as a whole student should obtain 40% marks (40 out of total 100 marks) to pass the subject.
- b) For 2021-22 admitted batches, each theory subject is evaluated for 100 Marks out of which 75 Marks through semester end examination and internal assessment would be for 25 Marks. The minimum pass mark for external examinations is 26 marks (35%), but as a whole student should obtain 40% marks (40 out of total 100 marks) to pass the subject.
- Continuous Internal Assessment pattern: CIA structure for Single Major System for 2022-2023 and 2023-2024 admitted Batches.
 - CIA assessment is done for 50 marks out of which 35 marks are for Mid examinations.
 In each semester two mid examinations to be conducted.
 - . I mid examination is to be conducted for 30 marks and scaled down to 20 marks
 - II mid examination to be conducted for 30 marks and scaled down to 15 marks.
 - 5 marks for assignment, 5 marks for seminar and 5 marks for clean and green are allotted.
 - As 40 marks are allotted for internal assessment, these 50 marks are to be scaled down to 40 marks.

- a. Section- A consisting of 6 Short answer questions out of which the student should answer any four, each question carrying 4 marks
- b. Section- B consisting of 3 Essay questions with internal choice, one question from each unit carrying 8 marks.

9. Assessment process for I, II and III Internships will be done as follows:

First internship (Community Service Project) will be taken up after the I year II semester end examinations or the summer vacation in the intervening 1st and 2nd years of study. The assessment is to be conducted for 100 marks. The number of credits assigned is 4. Later the marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightage shall be:

Project Log	20%
Project Implementation	30%
Project report	25%,
Presentation	25%

Second Internship shall be undertaken by the students in the intervening summer vacation between the 2nd and 3rd years or after the II-year IV semester end examinations. There will be only internal evaluation for this internship. The assessment is to be conducted for 100 marks and the credits assigned are 4. The marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightage shall be:

Project Log	20%
Project Implementation	30%
Project report	25%
Presentation	25%

Third internship shall be for the entire 5th/6th Semester, the student shall undergo Apprenticeship / Internship / On the Job Training. The assessment for the V / VI Semester long apprenticeship is for 200 marks and credits assigned are 12. The assessment for this internship / on the job training will be both internal and external assessment. The internal

Minutes of the Board of Studies Meeting - September, 2023.

DATE: -09-2023 TIME: 10.00 AM

The Board of studies meeting of the Chemistry Department, convened on 26-09-2023 at 11.00 AM through Google meet in Chemistry lab under the Chairmanship of Dr K. Anitha, Lecturer in-charge of the department. The members present discussed various aspects such as design of curriculum, changes made in the syllabi, model question papers, practicals, scheme of valuation, Certificate course, Multi disciplinary course for the academic year 2023-2024 and made the following resolutions.

RESOLUTIONS:

It is resolved to

- 1. Implement the designed syllabii, blue prints and model question papers for Major and Minor theory and practicals courses for I, II semester of I B.Sc. Chemistry (Hons.) for the 2023-24 admitted batch according to the NEP-2020:
- 2. Implement the designed syllabii, blue prints and model question papers for theory and practicals of B.Sc (Chemistry) Programmes of III, IV and V/VI semesters as per Choice Based Credit System for the Academic Year 2023-24.
- 3. Adopt and implement micro scale experimentation for qualitative analysis and two burette method for volumetric analysis for all practicals/wherever is possible in all semesters.
- 4. Implement the Certificate Course "Chemdraw" for the academic year 2023-24. The certificate and value added courses to be offered in I or II semesters and the final evaluation of the certificate or value added courses to be conducted by the examination cell from the admitted batch 2023-24.
- 5. Additional inputs to various courses placed at the end of syllabus.

- 6. **EVALUATION:** Evaluation for each course will be done as follows: It is resolved to set no minimum pass for Internal Assessment in Choice based Credit System (CBCS).

- To adopt the model question paper for semester end examinations containing:
 - **c.** Section- A consisting of 8 Short answer questions out of which the student should answer any five, each question carrying 4 marks.
 - **d.** Section- B consisting of 5 Essay questions with internal choice, one question from each unit carrying 8 marks.
 - To follow the same question paper pattern for 2021-2022 admitted batch with each essay question carrying 10 marks and short answer question carrying 5 marks.
 - The composition of the question paper is as per the blueprint given.
- 8. Assessment pattern for the CIA for multi-disciplinary courses (MDC), Skill Enhancement Courses (SEC), practical work and Semester end practical examination.

For 2023-24 admitted batch, 10 marks to be allotted for continuous internal assessment and the semester end theory examination to be conducted for 40 marks for multi-disciplinary courses (MDC) and Skill Enhancement Courses (SEC). Principles of Chemical Sciences adopted as multidisciplinary course.

- For continuous internal assessment, five assignments should be submitted by the students and each assignment to be evaluated for 2 marks. The model question paper for semester end examination includes:
 - **e.** Section- A consisting of 6 Short answer questions out of which the student should answer any four, each question carrying 4 marks

f.Section- B consisting of 3 Essay questions with internal choice, one question from each unit carrying 8 marks.

CIA assessment to be allotted 10 marks i.e., for the practical observation book-5M, Attendance >90%-5M, Attendance >80%-4M, Attendance >75%-3M, Attendance >60%-2M, and Semester end Practical examination to be conducted for 40 marks. Scheme of evaluation for each practical paper

given at the end of syllabus. Record work is allotted 7 marks and viva to be conducted for 3 marks. Practical assessment both internal and final practical examination put together will be for 50 marks.

10. Assessment process for I, II and III Internships will be done as follows:

First internship (Community Service Project) will be taken up after the I year II semester end examinations or the summer vacation in the intervening 1st and 2nd years of study. RESOLUTIONS

- 1. Resolved to approve the Single Major (BA Economics Honours) curriculum, blue print and model paper for 1st year course under CBCS for the admitted batch 2023 24(I & II Semesters).
- **2.** Resolved to approve the curriculum, blue print and model paper for II year under CBCS for the admitted batch 2022 -23 (III & IV Semesters)
- **3.** Resolved to approve the curriculum, blue print and model paper for III-year Course under CBCS for the admitted batch 2021 -22(V and VI Semesters).
- **4.** Resolved to approve the Certificate and Value added Courses offered by the department of Economics.

A certificate course in 'Survey and Reporting' to benefit students going for Community Service Programme is resolved to offer in Semester II. The final evaluation of the certificate or value added courses to be conducted by the examination cell from the admitted batch 2023-24. Certificate course question paper pattern would include: 2 Sections. Sections A includes 12 questions out of which 10 should be answered and each question carries 2 marks. Sections B includes 6 questions out of which 4 should be answered and each question carries 5 marks. Resolved to conduct a value added course in Writing Skills for the I Semester students.

- 5. Resolved to approve the incorporation of additional inputs to various courses (where ever it is felt necessary) for enhancing students understanding over the concerned course and this shall not be considered for evaluation purpose.
- **6. Resolved to approve the Examination procedure** for the courses for I, II, III years (2023-24, 2022-23& 2021-22 admitted batches).

ANNEXURE -I

PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION

A.P. :: MANGALAGIRI

Present: Dr. Pola Bhaskar, IAS.

Proc.No.76/O.P-II/2023-1

Sub: Collegiate Education- UG courses -Single Major programmes in Government Degree Colleges-from the Academic Year 2023-2024 -Orders issued- Reg.

Read: 1. Lr.No.APSCHE/AC/CBCS-2019-20/Review from the Secretary, APSCHE, Mangalagiri dated:24-04-2023.

- 2. Procgs. Rc. No.2/ CCE-Acad-Cell / Sing.Maj/AC-06/2023, dt: 24.05.2023 of the Commissioner of Collegiate Education, AP, Mangalagiri.
- 3. This Office U.Note.No.1/AC-01/2023-24 Dt.3.7.2023.

The National Education Policy-2020, mainly emphasis, on improvement of quality of higher education, which plays an extremely important role in promoting human as well as societal wellbeing and in developing India as envisioned in its Constitution. Quality of higher education is must aim to develop good, thoughtful, well-rounded, and creative individuals. It must enable an individual to study one or more specialized areas of interest at a deep level, and also develop character, ethical and Constitutional values, intellectual curiosity, scientific temper, creativity, spirit of service. A quality higher education must enable personal accomplishment and enlightenment, constructive public engagement, and productive contribution to the society. It must prepare students for more meaningful and satisfying lives and work roles and enable economic independence.

Accordingly, the AP State Council of Higher Education (APSCHE) revised the curricular framework of General UG Programmes in accordance with NEP 2020 and Revised Curricular Structure of UGC. The major change in the proposed curriculum is a shift from three majors to single majors along with multiple entry and exit options. In this connection the Secretary, APSCHE, Mangalagiri, in his letter cited in the 1st reference, requested the Commissioner of Collegiate Education, AP (CCE-AP) to initiate the process of conversion of three majors into single majors in all Government Degree Colleges to be in effect from 2023-24 academic year

By taking into account of the prevailing scenario in the Colleges, to design the overall development of the student in multifaceted way with available infrastructure in the Colleges, sanctioned posts, admissions made in the Colleges for the past three years, series of meetings have been convened on conversion of existing UG Programs in Three Majors to Single Major from the Academic Year 2023 -2024, with **Principals, IQAC Coordinators and Subject Experts from the Government Degree Colleges,** to represent a student in a society to meet the global challenges after completion of their under graduation, in the job market, on the strength of the representations received from all Government Degree College Principals in the State, to change the old adopted programs to meet the global demand, series of meetings have been conducted in various platforms with subject experts and other academicians including all the Principals of Government Degree Colleges and during the course of deliberate discussions and suggestions made by them, at their request, the single major programmes are finalized.

[Conti.P.2]

Date: 04-07-2023

In the above back drop, as per the proposals submitted by the Principals in various platforms and after having deliberate discussions, with all the Principals of Government Degree Colleges in the state, while enclosing the College wise, Single Major programme, permitted to run in their respective Colleges as mentioned against each Government Degree College, they are directed to take further steps, for the ensuing admissions being carried for the academic year 2023-2024.

Further they are also requested to intimate the changes to the respective Affiliating University Registrars in their jurisdiction for its recognition/affiliation of programmes and further necessary action.

Receipt of these proceedings should be acknowledged.
