DEPT. MINUTES

Minutes of Meeting

01-11-2024

The staff meeting for the Dept. of Computer Science & Computer Applications is held in Computer lab-II at 4:00 PM.

Agenda

1. Purchase of Air Conditioners
2. Practical Examinations for III & V Sem.
3. Attendance consolidation
4. Syllabus completion for I Sem., III, & V Sem
5. Internships for Sem-VI students & field visit
6. Semester-End Examinations

Discussion: Discussed on the syllabus completion for all the semesters of the Academic year 2024-25. Also discussed on revision strategies to improve the pass percentage in the Semester-End Examinations. It is also discussed about the purchase of ACs for the Computer lab-I & Computer lab-II. A discussion is held on identifying the companies providing internships for Semester-VI students.

Resolutions:

1. It is informed that Gem portal access is not provided due to the problem in ID creation for Office staff as ID is not created, we are unable to purchase ^{ACs} through Gem Portal. In this connection, quotations are called for ACs in October 2024 and the order is placed to Bala Tripura Arcade which quoted the lowest price.
2. With reference to the same quotation, it is resolved to purchase 4 more AC's from the Additional special fee funds of the Departments. From this, 2 AC's will be installed in Seminar Hall for the benefit of the students. In accordance with the staff council resolution taken earlier.
3. It is enjoined that Practical End Examinations for Sem-III & IV will start from 08/11/2024 and Semester End Examinations will start from 18/11/2024. In this regard, all are instructed to plan revision.
4. All faculty are instructed to consolidate the attendance for Sem-III & IV classes and inform the attendance % details to the students.
5. It is resolved to search for different companies offering internships to the students of Sem-VI and also resolved to plan field visit to Avas Intern, Visakhapatnam.

To
Avaintern Company,
Madhurawada,
Visakhapatnam.

Dear Sir,

Sub: Industrial visit-Request to grant permission to visit your esteemed organization.

A.S.D.Government Degree College for women (Autonomous), Kakinada, is one of the Prestigious Degree Colleges in the East Godavari District, offering various courses at the Under-Graduate level and Post- Graduate level. As part of Industrial Visit, our students of II B.Sc. (Computer Science) and II B.Com. (Computer Applications) are very eager to visit your esteemed organization on 07-12-2024. The main objective of this visit is to give the students an exposure about the way things work in an organization in the real world and also to provide an insight about the internships being offered at your organization to the students.

I request you to grant permission to visit your Organization for a batch of 60 students along with 5 faculty members and interact with your skilled staff. I anticipate a positive response from your end.

Thank you and looking forward for your consent.

DEPARTMENT OF COMPUTER SCIENCE

REPORT ON THE FIELD VISIT

Aim: The primary aim of the field visit to Ava Intern Edutech Pvt. Ltd. was to provide II B.Sc. Computer Science and II B.Com. Computer Applications students from A.S.D. Govt. Degree College for Women (A), Kakinada, with practical exposure to the technology and operations in the field of IT education, software development, and internships offered by the company. It aimed to bridge the gap between theoretical knowledge and its real-world application in the tech industry.

Objectives:

1. To introduce students to the workings of an IT company specializing in edutech solutions.
2. To help students understand the practical applications of their academic knowledge in computer science and computer applications.
3. To familiarize students with the various internship and training programs offered by Ava Intern Edutech Pvt. Ltd.
4. To enhance students' understanding of career opportunities in the IT and edutech sectors.
5. To encourage the development of soft skills and professional attitudes required in the corporate world.

Procedure:

1. **Pre-Visit Briefing:** Students were briefed about the objectives and expected outcomes of the visit by the department faculty members.
2. **Travel and Arrival:** The students traveled to Ava Intern Edutech Pvt. Ltd. located in Visakhapatnam.
3. **Company Presentation:** Upon arrival, a session was conducted by company representatives, providing an overview of Ava Intern Edutech, its services, and the projects they handle.
4. **Interaction and Demonstration:** Students interacted with company staff and observed live demonstrations of the software and educational tools used by the company. This also included a tour of the office infrastructure.
5. **Q&A Session:** Students had an opportunity to ask questions regarding career prospects, ongoing projects, and the company's role in the edutech sector.
6. **Feedback and Conclusion:** The visit concluded with feedback from the students, highlighting key learning points.

Brief Report on the Field Visit:

The field visit to Ava Intern Edutech Pvt. Ltd., Visakhapatnam, organized for II B.Sc. Computer Science and II B.Com. Computer Applications students from A.S.D. Govt. Degree College for Women (A), Kakinada, commenced early in the morning on 07-12-2024 at 5:00 AM, the students, accompanied by faculty members, boarded a bus from the college campus and began their journey to Visakhapatnam. The long journey was filled with excitement and anticipation as the students looked forward to gaining exposure to the world of edutech and the IT industry.

After a comfortable ride, the group reached Ava Intern Edutech Pvt. Ltd. by 10:30 AM. Upon arrival, the students were welcomed by the company representatives and introduced to the company's operations. The highlight of the visit was the interactive session with Mr. K. Deepak, Vice President of Ava Intern Edutech Pvt. Ltd., who shared valuable insights into the company's working model, its services, and the vast opportunities available in the edutech and IT sectors.

Mr. Deepak began the interaction by introducing the company's mission, vision, and core services. He emphasized how Ava Intern Edutech Pvt. Ltd. blends education with technology to provide innovative learning solutions to students and professionals. He spoke about the company's focus on internships, skill development, and software solutions aimed at enhancing the employability of young graduates.

During the interaction, Mr. Deepak shared his personal journey in the tech industry, recounting his experiences and the challenges he faced along the way. His story resonated with the students, motivating them to pursue their goals with determination and adaptability. He stressed the importance of continuous learning, highlighting the rapid pace of technological advancements and the need for individuals to stay updated with the latest trends and tools in the IT industry.

Mr. Deepak also addressed the students' curiosity about career opportunities in the edutech and IT sectors. He provided an overview of the types of internships, projects, and job roles available at Ava Intern Edutech. He encouraged students to take part in internships and online certification courses to gain practical exposure and build a strong skill set. Additionally, he discussed the significance of soft skills such as communication, teamwork, and problem-solving, advising students to focus on their holistic development alongside technical skills.

The Vice President also provided guidance on the qualities that employers look for in fresh graduates. He urged students to work on building a strong professional network and to leverage platforms such as LinkedIn to connect with industry professionals. Mr. Deepak encouraged students to take initiative, think critically, and be proactive in exploring career options.

Towards the end of the session, Mr. Deepak invited questions from the students, offering thoughtful responses to their queries on topics ranging from the nature of software development to the future of AI and automation in the edutech field. The session concluded with a vote of thanks from the faculty members, expressing appreciation for Mr. Deepak's valuable time and insights.

The session was highly interactive, with students asking insightful questions about the current trends in the industry, career opportunities, and the importance of both technical and soft skills in securing jobs. The session ended at 1:30 PM with a lively Q&A session, which further enriched the students' understanding of the professional world.

After the session, the group had lunch at a nearby hotel, giving the students a chance to reflect on the session and network with their peers and faculty. At 3:00 PM, the visit continued with a trip to Kailasa Giri, a popular tourist destination in Visakhapatnam. The students spent around two hours there, enjoying the scenic views, taking photographs, and relaxing before resuming their journey back.

At 5:30 PM, the group departed from Kailasa Giri and began the return journey to Kakinada. After a long yet enriching day, the students and faculty reached the college at 11:00 PM, bringing an end to a highly educational and enjoyable field visit.

Overall, the trip was a great success, providing the students with both professional insights and recreational experiences. The visit to Ava Intern Edutech Pvt. Ltd. was particularly valuable in bridging the gap between academic learning and industry practices, motivating students to explore career opportunities in the tech sector.

Outcomes:

1. Students gained a deeper understanding of the functioning of an IT company, particularly in the edutech domain.
2. The visit helped students understand how academic concepts are implemented in real-world scenarios, specifically in software development and education technologies.
3. Students were introduced to potential career paths and internship opportunities, making them more aware of industry requirements and trends.
4. The visit enhanced students' confidence in engaging with industry professionals and strengthened their communication skills.
5. The exposure to modern technology and industry practices motivated students to develop further technical and soft skills, helping them prepare for future career prospects in the IT sector.

Overall, the field visit was an enriching experience for the students, providing them with practical insights into the professional world and helping them align their academic goals with industry standards.

Students and staff members started from college at 5 AM on 07-12-2024 to visit Ava Intern Edutech. Pvt. Ltd., Visakhapatnam
