

A.S.D GOVERNMENT DEGREE COLLEGE FOR WOMEN (A)

(Re-Accredited by NAAC with 'B')

KAKINADA 533002, EASTGODAVARI, ANDHRA PRADESH

BLOSSOMS NURSERY

Environmental consciousness is deeply ingrained through various initiatives. Courses like Environmental Education, active participation in Eco club activities, involvement in plantation drives, mangroves and Olive Ridley conservation and other awareness activities within and outside the college are key components. The institution practices solid and liquid waste management practices and utilizes alternate energy sources, water conservation strategies, providing real-time examples for students. 'All is Well' an NGO, recognized and appreciated the students and the institution for environmental protection initiatives.
