COLLEGE PROFILE

Annaram Satyavathi Devi Government Degree College for Women, Kakinada, E. G. District was started with the motto: 'Sthree Vidya Pravardhataam' – 'Women Education Shall Prosper.' The idea came up with the inspiring words: *"A Man's education being the education of an Individual, a Woman's education is the education of a Family"* - Mahatma Gandhi.

The College made a humble beginning in the year 1962 with the efforts of the eminent women personalities of the town who constituted a committee called 'Women's education society of Kakinada'. The committee handed over the College to the Annaram Devasthanam Trust in the year 1963 and it was managed by the Trust Board for about five years. Subsequently, in the year 1968, the College was taken over by the Government of Andhra Pradesh. In the year 1997, the College was bifurcated into Junior College and Degree College. Then onwards it has been named 'A.S.D. Government Degree College for Women, Kakinada.' The institution is in a prime location of Kakinada town with a campus area of 7.16 acres.

The College has 19 classrooms, 10 well-equipped laboratories and 2 museums. A computerized library has 32,796 books. It has 47 fulltime faculty members and 26 administrative staff and around 1000 students in both UG and PG programmes.

From the Academic year 2023-24 onwards, Honours programmes with Single Major have been introduced in the college following the NEP 2020. At present, 16 Under Graduate Honours programmes and 3 PG programmes are offered.

The Institution has embarked upon Outcome Based Education. The institution focuses upon Skill development through Experiential learning among the students through Internships, Certificate courses, Skill Development Training programmes in collaboration with Govt. organizations, CISCO and NGOs. Students are encouraged to complete MOOCs Courses offered through Coursera, Udemy, Infosys Springboard and other Online platforms available. Jawahar Knowledge Centre (JKC) of the College imparts training for promoting employability skills and organizes Campus Drives.

VISION

The College envisages

To evolve into a premier institution imparting quality education embedded with Values and Skills leading to the development of the Nation through the empowerment of women, especially those hailing from marginalized sections of the society.

MISSION

- To empower young women to face the challenges of life with courage and commitment.
- To mould the students as builders of a just and humane society founded on ethical values.
- To promote a learning community in which all, especially those from less privileged sections, form an integral part to create a holistic society.
- To provide need- based and skill- based training to create a workforce of women with abilities to globally compete, to entrepreneur and be self- reliant.

EVALUATION PROCEDURES

The academic year consists of 2 semesters, each with 90 instructional days.

I year – I, II semesters, II year – III, IV semesters, III year – V, VI semesters, IV Year- VII, VIII semesters.

Each semester has a continuous Internal Assessment that ensures regular study, monitors students' performance, and enables them to self-evaluate. For all courses carrying 100 marks, Continuous Internal Assessment done for 40 marks based on two mid-semester exams, seminars, assignments and clean & green. Semester End Examinations are conducted for 60 marks with external evaluation.

A student must secure a minimum of 35% (21 marks) in the External Assessment and a minimum of 40% (40 marks) in the overall assessment (internal and external) as qualifying marks. The pass percentage for Practical is also 40%.

Grades and their Numerical Values: Grades can be assigned in the letters (O, A+, A, B+, B, C, D and F). Each letter Grade has a specific Numeric value assigned. Grades will be awarded on the basis of marks secured on a ten-point scale.

Credit: A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecturer or tutorial) or two hours of practical work/field work per week.

Credit Point: It is the product of grade point and number of credits for a course.

Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale.

The UGC recommends a 10- point grading system with the following letter grades as given below.

AWARD OF GRADES

Range of Marks	Grade	Grade Points
90 – 100	O	10
80 - 89.99	A ⁺	9
70 - 79.99	A	8
60 - 69.99	B ⁺	7

55 - 59.99	B	6
50 - 54.99	C	5
40 - 49.99	D	4
Less than 40	F	0

1. Semester Grade Point Average (SGPA): It is a measure of performance of work done in a semester. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e

$$SGPA (S_i) = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

2. Semester Grade Point Average (SGPA) is awarded to a candidate who passes in all the subject papers in the Semester.
3. Cumulative Grade Point Average (CGPA) is calculated by the end of third year/fourth year using similar formula provided a candidate passes in all subject papers of all the three years/ four years.
4. The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

$$CGPA = \frac{\sum (C_i \times S_i)}{\sum C_i}$$

where S_i is the SGPA of the semester and C_i is the total number of credits in that semester.

5. CGPA is multiplied by '10' gives aggregate % of marks obtained by a candidate.

STUDENT SUPPORT SERVICES

- 1) **College Library:** The College has a sizable Library. Since its inception, the library is being upgraded from time to time to the requirement of the learners. It provides newspapers, magazines, and reference books for various subjects needed by the students. It functions from 9.00 am to 6.00 pm. A collection of 30,000 books is available in the library for the access of students and staff. Net and xerox facilities are an added advantage to the students to get the information. In addition to the above facilities, an e-learning Centre with NDL, INFLIBNET and DELNET is also available in the library.
- 2) **Physical Education:** The department is well established having the equipment of Gym, Exercise cycles, body massager, indoor games like Weightlifting, Chess, TT, Carroms, and outdoor games like Basketball, Volleyball, Shuttle, Badminton, Kabaddi etc. Regular coaching is provided to the interested students by the Physical Director of the College.

3) **NCC:** The College has an NCC unit (3 (A) Girls Battalion). sensitization programme is conducted every year to motivate and mobilize the students to enroll themselves in NCC. NCC prepares the youth for careers in defence services and trains them to lead an integrated and disciplined life.

4) **JKC:** The JKC of the College is committed to providing employability skills to the students to meet the demands of the global job market.

5) **NSS:** The NSS units in the college are providing a platform for the student youth to learn and serve the community. They undertake rural community service, adult education, campus beautification etc. There are two NSS units with an enrolment of 100 volunteers in each unit. The first- and second-year students who are interested in social service can enroll themselves in the units.

6) **ECO CLUB:** Eco Club was started with the voluntary initiative of students for a common goal of a better environment. It works with National Green Core Unit with the following objectives.

- Keeping the College campus and classrooms clean.
- Campus greening programme
- Preventing sound and air pollution by observing vehicle-free Day and encouraging the use of public transport to conserve non-renewable energy resources such as gas, coal, petroleum etc.
- Production and utilization of solar energy in the campus.
- Economical use of natural resources like water,
- Recycling of waste
- Water conservation through optimal utilization of water resources, proper maintenance of water distribution system, Water harvesting, ground water recharge pits, recycling of used water
- Imprinting the concept of 'Live, and let others live' in the young minds.
- Say 'No' to the use of plastic in the college.

8) **Consumer Club:** The student volunteers with the help of district consumer affairs and civil supplies department have opened a consumer club on 05-10-2005. The main objective is to conduct consumer awareness programmes among the students. Guest lectures, elocution essaywriting, quiz and debate are conducted on topics related to consumer education. Also, the students create

awareness to the public about the Consumer Rights.

9) Red Ribbon Club: The youth Red Cross Unit of the College started Red Ribbon Club in 2005. The main objective is to educate the student on the importance and need of blood donation, conducting blood donation camps, AIDS awareness programmes.

10) Health Centre: The College has a health Centre which takes care of the students' health. It organizes health awareness programmes and medical checkups. Medical insurance facility is provided for all students. health cards are maintained to know the medical history of the students.

11) Women Empowerment Cell: Women empowerment cell was established to create awareness among the girl students on women issues and problems, condemning the social evils, developing scientific knowledge. Sensitization programmes and seminars are conducted by this cell to empower the girl students.

12) Career Guidance Cell: The cell creates awareness and motivates the students on pursuing higher studies and provides the information of P.G. entrance tests and employment opportunities.

13) Grievance Redressal Cell: The Grievance redressal Cell of the College addresses the problems of the students. A grievance box is provided by the cell near the office in which the students can drop a letter of their grievance. The grievances received will be redressed by the committee in a stipulated time period.

BEST PRACTICES

1. SAMANA: Organizing the programme "SAMANA" to develop the entrepreneurial skills among students and to provide an opportunity to groom and exhibit their abilities of team work, business management, marketing, people management etc.

2. CHEYUTA: To inculcate the helping nature and to create the awareness about the societal problems, the college adopted a program titled "CHEYUTA." Through this programme, the staff and students visit the old age home, spend some time with them, extend emotional support and provide materials required for the inmates.

3. Daily Assembly and recitation of Telugu poem: The daily assembly is organized by the student union with the support of staff members. To foster knowledge and respect for the Mother Tongue, one student recites a Telugu poem each day and explains its meaning. For reference, these poems are recorded in a book maintained by the Telugu Department.

4. The institution enables **ICT - integrated** teaching to ensure effective curriculum delivery.

5. Implementation of Green initiatives: Staff and students are actively involved in the institution's green initiatives. Students contribute three hours per week to environmental awareness activities in partnership with the 'All is Well' NGO.
