ACKNOWLEDGEMENT

I would like to extend my gratitude to our Principal, **Dr. V. Anantha Lakshmi**, M.Sc., M.Phil., PhD, for permitting me to complete my CSP at Golla Peta and for her continuous encouragement and valuable suggestions.

I am thankful to our Vice-Principal, **Smt. M. Suvarchala** M. Sc., M.Ed. (PhD) for extending her support and advice, which are helpful in completing this Internship.

It is indeed with a great sense of pleasure and immense sense of gratitude that I would like to thank my mentor **Smt. N. Naga Subrahmanyawari**, M. Tech. for her timely advice, continuous support and constant motivation towards completing this CSP.

I owe the community and concerned authorities for their patience and cooperation throughout the project.

I extend my special thanks to the faculty and friends for their encouragement.

Certificate from Official of the Community

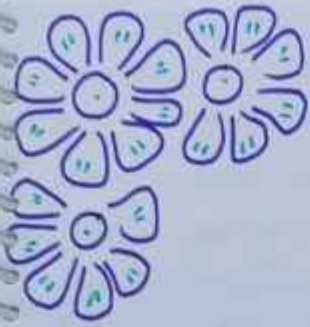

This is to certify that P. Bala Veera Ganga Sindhu Reg. No
92380 of A. S. D. Govt. Degree College for Women (A),
Kakinada underwent community service in G. Vemavaram, Munnab Street
(Name of the Community) from 10 May 2023 to 21 June 2023. The overall
performance of the Community Service Volunteer during his/her community
service is found to be Good (Satisfactory/Good).

Executive
Summary

Chapter-1

Pg:03

Executive Summary

G. Vemavaram is a village in East Godavari district of Andhra Pradesh, India. It falls under Thallarevu Mandal. G. Vemavaram village has a population as on 2011/2013 is between and of which Males are 2883 and females are 2196. Total households in this G. Vemavaram are 1135. Thallarevu is a hamlet of Polakuru in East Godavari district of the Indian state of Andhra Pradesh. Its name literally means ferry of toddy palm trees. It is located in Thallarevu Mandal of Kakinaada revenue division. According to Census 2011 information, the location code or village code of G. Vemavaram village is 587730. It is situated 15 km away from sub-district headquarters Thallarevu (tehsildar office) and 11 km away from district headquarters Kakinaada. As per 2009 stats, G. Vemavaram village is 890 hectares. G. Vemavaram is also a gram

Panchayat. The total geographical area of village is 890 hectares. G. Vemavaram has a total population of 5,069 people, out of which male population is 2,583 which female population is 2,486. Literacy rate of G. Vemavaram village is 60.74% out of which 69.27% males and 57.08% females are literate. There are about 1,302 households in G. Vemavaram village. Pincode of G. Vemavaram village locality is 533964. Kakinada is nearest town to G. Vemavaram for all major economic activities, which is approximately 11 km away. It belongs to Andhra region. It is located 37 km towards south from district headquarters Kakinada. 11 km from Tallarevu. This is about for G. Vemavaram. In this place I observed the people living there very neatly and cleanly. And they are people who live with each other and they help person to person. In this location sanitation was very clean, so they all live

19:05

Very healthy. They daily remove her garbage and they daily clean her self drainage. And these work very hard and Earn money. I conduct a activities to her childrens Running Race And i give the price to her A pen and chocolate. All people are very intelligent and they asks me questions about this survey. All are living very happily. The people respond very well And they did not bored. And i tell the people how women live in society very strongly I tell they without women there is nothing.

Overview
of the
Community

chapter-2

Pg: 08

overview of the Community

Vemavaram festivals history is they celebrate very much "dussehra" Bhagithamma temple in this village in fields. And they celebrate "padallamma thalli jathara". They conduct that day durga devi pata all are very enjoyed that day the tradition on the village wearing tradition sarees. The social economics of the village very Nice. And the social that focuses on the relationship between social behaviour. Employment this social economic factors is very well in this area. And this depends on the make healthy choices about all.

Dussehra and durga devi & pata all people celebrate with together and that day they wakeup very early and wearing new clothes. And they visit the temples and to -ke pooja.

Skills
Acquired
through
Community
Service

Skills acquired through Community Service

I am acquired skills from doing community service project how to communicate people and how to talk people with politely. And I learn good communication skills, critical thinking and working well in a team. How to collaborate with people and how to tell answers etc. And I learn brave also I talk all the people very bravely and asking questions etc.

And I am also learn listening and speaking skills. or staying positive etc. learn teamwork and leadership and ethics and moral value. How to move in the society and learned speaking skills. or staying positive etc. this skills are defined as the skills which allow us to communicate effectively. They give us the ability to convey information verbally and in a way that the listener can understand.

In this workplace or survey place I learned to communication with people and also childrens

also. so this skills helps very much future. And now I talk with people very politely and they did not hold these essential skills I learned through the community service project.

These skills very useful to our daily life where I go I talk with people and I move very friendly. I understand her feelings and emotions etc. And I learned rented houses problems and own house importance. And I tell they importance of joint family etc.

Introduction

I am writing the "introductions" about the survey. The name of the survey is community service project. This survey very useful to know about the people knowledge and how they know about consumer courts. And they how much they use social networking sites and which type of information they want to see. And they how long have been using social networking sites or how many connections or followers and friends they have. and they mostly see social networking sites on mobile phones. And knowing the about people how they feel about living the house or they satisfied or not with the hygiene around the house. And they neighbours are good are not. And How to move with him and her. knowing the how important in her life the following aspects like having a good house or need good food to eat and

This Problems was I identified. I hope some days after the water problem was gone I hope because they suffers very much.

Pg: 25

Week - 6 [from Dt: 17/06/23 to Dt: 30/06/23]

Objective of the activity done:

Detailed Report:

In this sixth week, we have conducted the activities in G. Venkatarao, Munatib street, Thallarevu Mandal. This is overall analysis of the project. We found that the people have some knowledge and awareness of the internet. Few of people don't know how to use the social networking sites. We guide the people and we made some changes that helps to the community development.

Few the members of group gathered and prepared and prepare the charts on the topic of social networking sites. And we all also show the advantages and disadvantages due to the internet. It brings a good communication and technology.

Analysis
&
Out Comes

Analysis and outcomes

On this survey collected details are some people did not know about the flip phone and google pay etc. And they use the smart phones. Mostly they want to see in social media a youtube and Instagram and facebook and they only have mobile phones. And some people did not have any social networking sites. But one person have and the person working on mobile. she sells the sarees on online. They use this sites before the one or two years. they were happy with her childrens and family members.

And I observed some people living in rent houses so they suffers to pay the houses rent and they I learned and acquired skills was listening skills, and speaking skills and I also learned communication skill. In this Analysis I observed more have own houses and they also happy they also have living house.

Data analysis of Community service :-

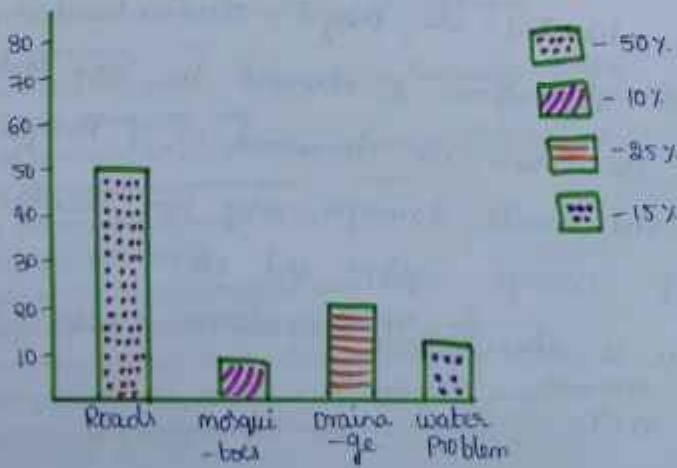

As the part of Community service project, I surveyed in the area Munasib Street, G. Vemavaram. I surveyed totally 30 houses in the particular area. Then the number of houses caste wise :- 3% of St, 2% of Sc, 30% of BC-A, 40% of BC-C, 20% of BC-D, 40% of OC, 32% of BC-B are living in that habitat. Then the total no. of people in that particular area - 275, members.

Age composition of the male 83 members. 6% of (0-6) age children, 13% of (7-12) age children, 14% of (13-19) age children, 48% of (20-60) age people, 6% of above 60% age people. And Age composition of the female 92, members. 9% of (0-6) age children, 29% of (7-12) age children, 27% of (13-19) age

* Welfare Schemes available :

* Common Health problems in the Habitat :

children, 50% of (20-30) age people, 04% of above 60+ age people are living in that particular area. Religious composition in that area: 75% of (Hindu), 20% of (Christians) and 5% of (Muslim). Then the no. of people literates in that area 70% of people educated and 30% of uneducated. Some of the people (above 30) completed their graduation and few of them are job holders. In that area, Bus facility is available. All most all the people (98%) involved in that area of DWACRA. And specific village festivals celebrated are, Pongal, Purnima, Dusshera, Navaratri celebrations. I observed the some problems in the area are, increased no. of mosquito-bites and roads damages, very poor maintenance of drainage system and etc..

This is the overall conditions I observed in the area.

Problem

Definition

Problems Identification

The people they face problems mainly water and Network Problem they did not have every houses taps facility And some days they did not have water only they have street tap. but some have their own taps in houses And they suffer to pay the house rent and they living without childrens. And they tell her mother in law was always fight with her. so she suffered very bad. And they childrens go long journey to school in this village only one government high school have that was in near by fields so they afraid to leave her childrens in school. And the graveyard near school. so they suffers to her childrens study. so that these are the Problems I identify in survey.

and a good means of transportation. And about their stress levels Rate, Role of physical health and how often does lack of money keep you from doing the things you wish to do. And knowing the about they do part 4 weeks like gone to a Restaurant or gone for a long drive alone or with friends or gone shopping, made a meal for self, Done my laundry. And her Age and they gender, how much use social networking sites. knowing the how many social networking sites do you have an account.

This like of information I ask people this is the introduction about the survey. This information tells out to about people full information and like their gender and their house type, and occupation, income etc.

Problems Identification

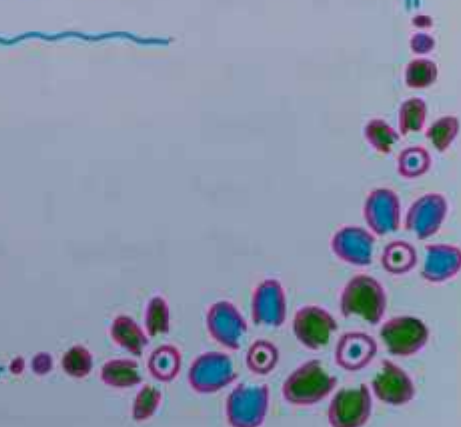

In this colony of street their face only water problem. They did not have any other problems. Their surrounding hygiene was well and some people have their own taps in their houses but some did not have another problem tap water did not come regularly so they suffer very much. They face mosquito problem also. Mosquitoes are approximately 3,600 species of small flies comprising the family culicidae. These network problem also suffers very much. These problems about surrounding their houses. And they depend only street tap some people. And another problem one person social they suffer to pay the house rent and these are the problems

- ① water
- ② Toilet facility
- ③ Mosquitoes
- ④ pay the house rent
- ⑤ Network connection
- ⑥ Damage Road

Action

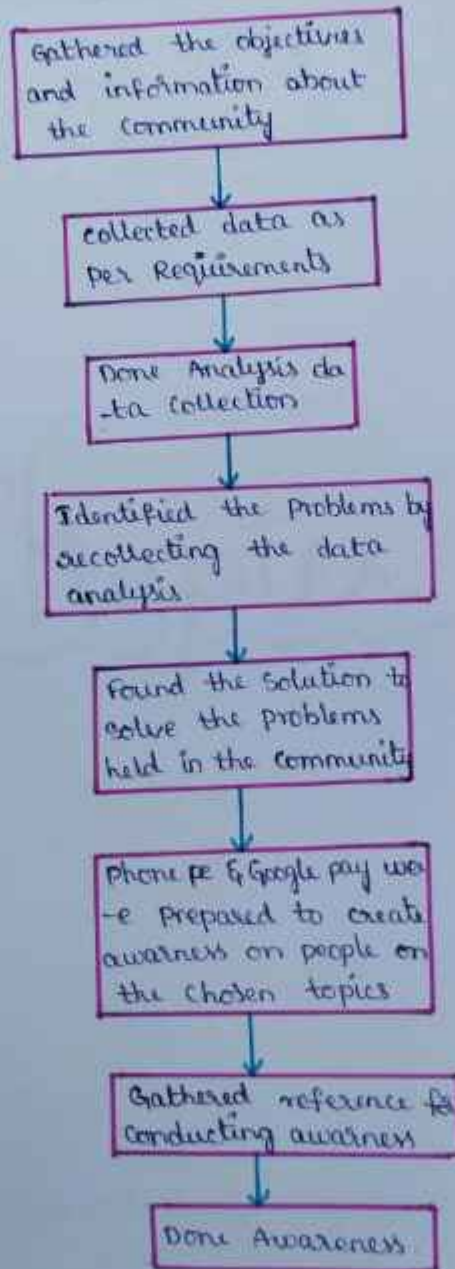

Plan

Action plan

Identification of social networking sites they mostly use the social networking are youtube and Instagram. Early use facebook. And they view on mobile phones. And more people use sites 9 to 9 pm. And they share information on social networking sites in relation ship status. They always use like youtube and Instagram other apps. They use early people say social networking sites useful mostly to connect with family and friends. And they did not share any authentic information on social networking sites and more people did not have any graphs. paper they mostly interact when using social networking sites watching videos and chatting with friends etc. And they want to connect to like use on social networking sites entertainment industry. more use want the content like on videos and images.

Awareness Programme

Community Awareness Programme:

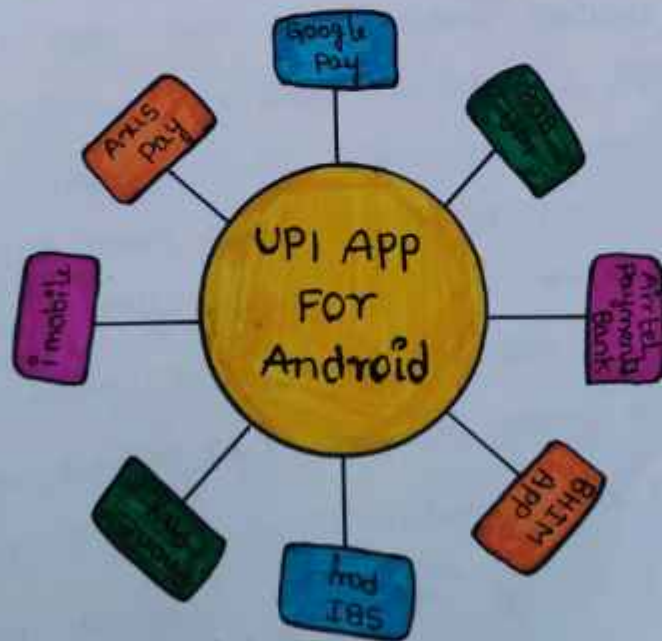

In the community Survey I conducted as a part in community service project some problems are identified in the community. And i considered personally that water stagnation is a major problem with environment. Hazards.

Along with short-term and long-term action plan we conducted some awareness programme some in the community. These awareness programmes involves the major effects and problems of water stagnation and damage roads are discussion.

The solution and different methods to cut of water stagnation are discussed video clips are shown to the people in the community, clearly explained about the french drain system and drywells

downspots. Thus they get aware of the health and hygiene. and the important of health in our life. They know that quality of life is an important feature and it plays a keyrole in maintaining proper way of life. they started thinking about health and hygin.

UPI app for android, and you may have heard your friends use the term.

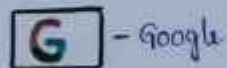

What are UPI APPS for Android;

Introduced in 2016, unified payments interference (UPI) plays a vital role in enabling digital payments in India. UPI apps have helped Indians make cashless transactions - an aspect that changed from merely a luxury to a necessity during the corona virus pandemic. If you're planning to start using UPI apps or are wondering there are UPI apps that offer better features and experience, here are the top UPI apps you can use in India. Google pay, BOB UPI, Airtel payments bank, BHIM APP, SBI pay, phone pay, i mobile, Axis pay these are apps used in money transactions. You can use Google pay for sending and receiving money from friends and family, mobile recharge, bill payment and etc. phone pay helps you recharge your

phone pay credit card bills, online shopping, health insurance and etc., you can set a custom UPI of your choice on the BHIM App as long as it is not taken. Apart from this you have standard features including sending and receiving money, bill payments, and requesting money.

So, those are the top UPI apps you can use in India. I personally find myself using google pay and phone pay for all my UPI payment needs.

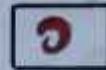

- Google

- BoB UPI

- phonepe

- Airtel Payments Bank

- i mobile

- Axis pay

- BHIM APP

- SBI pay

And these are all apps are depends on internet.

Conclusion :-

I am P. Bala veera Ganga Sindhu, studying I BSc (MPCs) in our college of ASD Govt Degree college for women [A] in Kakinada. I am the participant of community survey project. It was conducted by computer department of Eswari madam. It is wonderful survey in my life self. It is very useful to student for their passions and goals.

Now I started the survey on _____ in the time of arrival at 10:00 AM to 5:00 PM. In this time me and my friends a community and every student to survey on this community service.

Eswari madam was allotted 30 hours of each students. then we all are went to the houses and collect the information from the people. I surveyed area near the munahab street in G. Venavaram. nearly we spend a week time to analysis and planning of this project. In my

allowed locality some of them voluntarily help me and they are helped to preparing charts and gathering people and we all are create a awareness in the society and conduct so many activities to gathering people and knowledge them and reported as follows.

Survey on Social Networking Usage

1. What is your age?
 - Under 18
 - 18-24
 - 25-34
 - 35-44
 - 45-54
 - 55-64
 - Above 64
2. What is your gender?
 - Male
 - Female
 - Other
3. Do you use social networking sites?
 - Yes
 - No
4. What social networking sites do you use the most?
 - Face book
 - LinkedIn
 - YouTube
 - Twitter
 - Instagram
 - Snapchat
5. How many social networking sites do you have an account on?
6. How long have you been using social networking sites?
 - Less than a month
 - 1-6 months
 - 7-12 months
 - 1-2 years
 - 3-5 years
 - More than 5 years
7. Approximately, how many hours a week do you spend on social networking sites?
 - 0-5 hours
 - 6-10 hours
 - 11-20 hours
 - 21-30 hours
 - 31-40 hours
 - 41-50 hours
 - More than 50 hours

8. Please select what information do you share on social networking sites?

- Email address
- Age

ACKNOWLEDGEMENT

I would like to extend my gratitude to our Principal, **Dr. V. Anantha Lakshmi**, M.Sc., M.Phil., PhD, for permitting me to complete my CSP at Gollala Peta and for her continuous encouragement and valuable suggestions.

I am thankful to our Vice-Principal, **Smt. M. Suvarchala M. Sc., M.Ed. (PhD)** for extending her support and advice, which are helpful in completing this Internship.

It is indeed with a great sense of pleasure and immense sense of gratitude that I would like to thank my mentor **Smt. S. Priya Dharshini** for her timely advice, continuous support and constant motivation towards completing this CSP.

I owe the community and concerned authorities for their patience and cooperation throughout the project.

I extend my special thanks to the faculty and friends for their encouragement.
